Scampers Summer Holiday

2nd – 10th August 2008

Back due to popular demand the annual Scampers
Holiday will be based at the
[Pall Mall campsite in Tywyn](#), Wales.

Tywyn ticks all the boxes; Sea, Sand, Honey Ice-
cream factory, good pubs, barbeques on the beach
and even plenty of green lanes (if that floats your
boat).

More details to follow.

Scamp Picnic

August 22th - August 25th

[Stourport](#)

National Owners Mini Show

September 14th.

At Stanford Hall (near Lutterworth, Leics)

I am willing to organise and book a club stand for the event if enough people are interested.

Been many times, and has always been a great event and usually great weather (not promising that part though!!)

Would like to sort it out sooner rather than later as it is getting a more and more popular event each year.

Please let me know your thoughts on the subject.
